A “New Ride” Provides Brandon a unique way to get around

Thanks to Rocky Mountain Segway and the generous donations from many of you, the Courageous Faces Foundation, was able to acquire a special Segway that fit Champion of the Foundation, Brandon Farbstein’s, 3-foot 9-inch frame.

Brandon attended this year’s National Speakers Conference in Denver which was held at the Gaylord of the Rockies Hotel. The new Segway provided Brandon a way to easily navigate the endless halls and attend the many breakout sessions throughout the week. Brandon has become a nationally renowned public speaker and his inspirational book, *Ten Feet Tall*, has received rave reviews.

Order Brandon’s book at <https://smile.amazon.com/> & select the Courageous Faces Foundation as your charity. Amazon will make a donation to the foundation at no charge to you!

SHOWCASING THEIR BEAUTY

Your donations provided Hannah & Maddie, two Champions of the Foundation, an all-day styling & modeling session and a photo & video Shoot

"The Courageous Faces Foundation has shown me there is more to myself than my illness, that I am not defined by my condition and that I have power & beauty. They have changed the way I look at myself and look at others around me." Hannah

"I have been given amazing experiences and opportunities through the Courageous Faces Foundation. I love that they help teach that people with medical differences are just like anyone else, & help us live our best lives possible." Maddie

A huge thanks to one of our long-time supporters, Kait Thomas who donated time & talents for several Inspirational Champions.

"It is one of my career highlights to help these amazing & inspiring individuals see how incredible they really are, inside & out." Kate, Styled by Kait

Summer Surprise CELEBRITY CONNECTION

*Neal Browne, Courageous Faces Foundation, Comedian
Kevin Nealon, Reggie Bibbs, Champion of the Foundation*

Reggie first met the celebrity a couple of years ago in California and Kevin took a personal interest in Reggie and learning about his rare form of Neurofibromatosis (NF1) that causes tumors to grow along the nerves.

Kevin invited Reggie, his family & friends to be his guests at his recent show. Two of the Courageous Faces Foundation team joined in the unforgettable evening where Nealon had the audience laughing non-stop. After the show Kevin sat down with Reggie to get caught up on Reggie's latest medical updates. Kevin then posed for dozens of pictures with everyone in Reggie's group and before his next show, walked with Reggie out to the car.

Thank you KEVIN NEALON - For making a difference,
One Person . . . One Family . . . At a Time!

You'll never guess who REGGIE, our Champion of the Foundation, met up with at the IMPROV!

Former Saturday Night Live star & comedian, KEVIN NEALON, reunited with Reggie of the Courageous Faces Foundation for Kevin's show at the Improv in Houston this summer.
